CHMOW delivers two fresh meals a day (a cold lunch and a hot supper), five days a week, 52 weeks a year. Our caring and committed volunteers deliver not only delicious meals but also special holiday treats donated by community schools and groups, thoughtful cards on birthdays, and the local newspaper every Wednesday. But most importantly, CHMOW volunteers provide clients and their loved ones (sometimes living miles away) with the reassurance of at

least one daily and caring connection to the outside world, supporting the desire to continue to live independently.

Who We Serve: All residents of Chestnut Hill, Mt. Airy, Wyndmoor, Flourtown, Oreland, Erdenheim and parts of Germantown, regardless of age, whose access to food sources is either temporarily or permanently limited due to age, illness or disability.

Throughout the year, we attended **12** community-wide events, and helped to provide 530* community lunches for our seniors. We have partnered with eight local schools that support us in a variety of ways, from volunteering in the office to donating meals and creating cards & small gifts for our clients. **We are looking forward to providing support to even more clients in 2015.**

Chestnut Hill Meals on Wheels has a long and committed history to our community. Spanning 39 years of continuous service, we began at Chestnut Hill Hospital with the assistance of Chestnut Hill Community Association. In October, we moved into our current home in the First Presbyterian Church of Flourtown. We are most grateful for the hospitality and generosity of this congregation. At the same time, we contracted with Halligan's Pub to prepare all our client meals. It has, indeed, been a busy and rewarding year for all!

OUR MISSION: Chestnut Hill Meals on Wheels is a community based, non profit organization devoted to meeting the daily nutritional needs of any of our neighbors challenged by illness, disability or age. Respecting our clients' desire to live independently, our dedicated corps of caring volunteers home deliver two fresh meals each day, five days a week. Forced isolation is avoided; interpersonal relations between client and volunteer develop and individual freedom is supported.
